# Performers

## The Pulse

The Pulse is a Lakehouse Music Academy five-piece Core Program band made up of musicians aged 14 to 17. Their sound is inspired by rock legends like Rush and Sublime. The Pulse has played throughout Nashville, New York City, Asbury Park, and at the Starland Ballroom. They blend skilled musicianship with high energy for audiences of all ages.

# Performers

## Kings & Queens

Kings and Queens is a rock cover band from Lakehouse Music Academy, made up of kids ages 10 to 13. The members of this group have been performing since they were as young as 6, playing their own shows all over Monmouth County, including the Stone Pony Light of Day, The Asbury Lanes, Asbury Park Live, the Spring Lake 5 Kids Race, and countless other special events.

# Performers

## Dakota Diehl

**(accompanied by Lakehouse Music Academy instructors)**

Dakota Diehl is a performer and singer-songwriter from Rumson, NJ. She found her passion for performing at the age of five, having performed at the historic Count Basie Center for the Arts in Red Bank, NJ. As a performer, she has had the opportunity to sing alongside many great musicians, such as Brian Kirk, The Cliffs, Michael Ghegan, Scott Elk, Kyle Ward, Hue Hashemi (10-String), and Skinny Amigo. Around the age of 14, Dakota began songwriting as an outlet for her teenage angst. She seamlessly blends her love for pop and soul into her songwriting. She is currently in the process of writing and recording her own original music and plans on releasing her debut single in the near future. Dakota currently attends Lakehouse Music Academy in Asbury Park, NJ, where she met her acoustic partner, JD Leidersdorff. The duo regularly performs at local bars, restaurants, and private parties throughout the Jersey Shore. She also performs with a full band at many local events and charity fundraisers, such as ASPCA, Lunchbreak, Monmouth Park Charity Fund, Rumson Parade, and RFH Touchdown Club.
