for you!

There's a chill in the air. You can feel it this Fall.
A friendly phantom has come to call.

A **BoO** bag of goodies has been left for you.
Keep the **BoO** going...so here's what to do.

Post this sp^ook where it can be seen.
Leave it up until Halloween.

Build a **BOO** bag of your very own.
Include a ghost and this catchy poem.

Deliver to a door that a ghou! hasn't hit.
Ring the doorbell and run- you've got to be *quick!*

It's for good reason - to spread fun and joy this sp^oky season.
